Compassion in Action

“My life has been up and down”, John begins to share his story, “God has been a part of my life but when I strayed away from Him, bad things seemed to happen.” Falling into depression along with anxiety which led to drug and alcohol abuse, John found himself in the hospital starting his recovery process. Upon his release he came to Good Samaritan. He knew he needed structure and discipline to help him on

his recovery path which he very much wanted!

Once at the Mission, he says he found an honest staff. “Roland (Men’s Shelter Dir) has been a true mentor. Rick (Shelter Supv) has been my ready and willing case manager, and Craig (Dir of Ops) encouraged me to stick with the *Jobs for Life* program when I thought I didn’t need it,” recalls John. Looking for full-time employment, John looks forward to a future with his daughter & grandson. “I am healthy, grateful & hopeful.”
