

News for the Pews

Sharing Hope

"I was fed, clothed and housed, and received faith and hope when I needed both," Mark shares humbly. After losing everything and reluctantly turning to GSRM for help, Mark was able to turn things around in a very short time. Graduating from our SAVE program, Mark is working in the kitchen and living in one of our permanent housing apartments. Always willing to help and seemingly at peace, Mark is happy to share, "This place saved my life!"
