## Newlyweds, Ed and Teresa!

Shown here with Roland, men's shelter director, Ed and Teresa have been at the Mission since November and have been an inspiration to other Mission guests. "They are persistent, patient, and are intentionally doing what they need to do to get back on their feet," says Roland. Married July, 2016, the couple believes God brought them together at a time in their lives when they were ready for each other. Resorting to living in the woods for a while, Teresa heard about GSRM and the two came into shelter. "We love going to church seven days a week, both chapel here and attending our new church. We appreciate the staff, community, Life Skills classes & program, and volunteer chapel speakers," the couple agrees. They look forward to completing the Life Skills classes & program soon and getting their own home.
