# News for the Pews

"Once I started to feel grateful and began thanking God I was here (at GSRM), things started to turn around," explains Milene.

Once depressed, completely broke in spirit and financially, Milene now says, "I am very optimistic about the future. I have hope for the future because I'm seeing my life getting better and better!"

Milene is working two jobs and expects to sign a lease on a new apartment very soon. She is excited for a new, fresh start.

"If it wasn't for Sue (women's shelter director), I wouldn't have gotten this far. She saw something in me I didn't see myself. Thank you so much Sue!" says Milene. "I will tell anyone who needs help to come to Good Samaritan!"
