# News for the Pews

Meet Cindy. Today you will find her working in the kitchen at Good Samaritan Rescue Mission and living in her home. One year ago she was in the hospital on dialysis. Starting with the death of her son 10 years ago, Cindy turned to pain killers to get through that time of her life. That escalated to heroine, which led to her overdosing last year and winding up on dialysis.

Cindy has been working on and putting life back together for the past year. "Going to chapel twice a day (at the Mission) led me to God. He was my strength. The Mission staff was really great too," reflects Cindy.

What a difference a year can make! The first week of March Cindy was able to move into her new home. Cindy has reconciled with her parents. She has a new church family. Cindy dreams of going to school to pursue web design. "I'm taking one day at a time," says Cindy. "I'm still growing closer to God."

The annual Hope & Care Tote drive has begun. When a person in need comes to Good Samaritan, they receive personal hygiene items free of charge. We need your help to collect these items.

This is an opportunity for an individual or a group to directly help the homeless. Thank you for your help with this much needed drive!

Here's How it Works:

- 1 [Order](#) & pick up your "Tote Bags & List of Items" from GSRM
- 2 Deliver the bags back to Good Samaritan Rescue Mission

### Some Mission Needs:

Assorted Juice-100% Vit. C / Canned Fruit / Body Wash-Men & Women / Paper Towel / Pajamas—women (all sizes) / (check our website for full list)

713 9<sup>th</sup> St,  
Bay City MI 48708  
989.893.5973
