SAMARITAN YOUTH SHELTER

Change is coming to Rescue Ministries with a 2020 VISION. Good Samaritan Rescue Mission opened in 2005, and almost every year the ministry has expanded to serve more people in their hour of need. Now GSRM is venturing into emergency shelter for *homeless teens*. Presently there is no emergency shelter provider for youth aged 12-17 in Bay County. Recognizing this great need, almost every service agency in the area has written letters of support for GSRM to take this step.

A 10-bed shelter for youth, aged 12-17, is being developed in an area of the Mission. This service is for at risk and vulnerable youth at a time in their life where they most need love, direction, and safety.

The annual Hope & Care Tote drive has begun. When a person in need comes to Good Samaritan, they receive personal hygiene items free of charge. We need your help to collect these items.

Here's How it Works:

- 1 [Order](#) & pick up your "Tote Bags & List of Items" from GSRM
- 2 Deliver the bags back to Good Samaritan Rescue Mission
