

News for the Pews

JANUARY 2020

Jacquese and her children arrived at Good Samaritan Rescue Mission in 2019, looking for a safe place for help.

Needing to escape an abusive situation, Jacquese knew she needed to do better for her children.

She found that help and safety at the Mission, "God bless you all. Thank you for everything GSRM did for us. I really appreciate it."

In time for Christmas, the family received help with housing and moved into a townhouse. Volunteers rallied and helped them with furnishings, food, a Christmas tree and presents! A Merry Christmas indeed!

While at the Mission, Jacquese and her children found a home church and she is currently looking for employment. Join us in praying they and all of our guests have a Blessed New Year!
