

News for the Pews

JULY 2020

Thank you for your prayers and support through this time!

“Yolanda puts 100% into everything she does. She is one of the hardest working ladies I have worked with and she has stayed patient and positive through all of the waiting and uncertainty COVID-19 has brought,” says Rachel, Women’s Shelter Director.

Growing up in Chicago, Yolanda has lost many people she knows, including a brother, to gang violence and drugs. She and her family have seen horrible things people should not have to witness, especially the children.

Yolanda arrived at the Mission expecting HOPE. She found that & more. She also was asked, with all you’ve endured, how do you remain hopeful & grateful. Yolanda quickly says, “God! I get through everything with prayer.”

Our annual HOPE & CARE TOTE program is in full swing!
Personal hygiene items are needed to help the homeless!

If you would like to hold a hygiene item drive- or collect these items yourself, contact the Mission to order your Totes. Check our website for details. Thank you!
