## News for the Pews

Thank you for your prayers and support during this time!

“God kept me safe all through prison.”

Getting out of prison earlier this year, and feeling lost, James needed a safe place to turn. GSRM was suggested to him. He says he felt “hopeful” as he entered the Mission.

James had spent nearly 8 years in prison. After his OTR truck driving career was ended, due to a dangerous rollover accident, James found himself homeless. Living in and out of shelters while looking for another job, he eventually found one. And the money was pretty good too. But soon it all came crashing down. Unfortunately, James’ new job turned out to be illegal, as he would find out.

Today James’ outlook is pretty good. Looking forward to a home and new job, he says, “God has always been leading my life; even in prison.”
